2 STROKE CYLINDER DEPT. JOB ORDER FORM

Cylinder sleeving includes installing our new sleeve into the cylinder, matching the ports to original specs, chamfering all port edges, boring and honing to fit the new piston. All modifications are done to your cylinder, unless otherwise specified. When sending your cylinder, remove all manifolds, studs, bolts, power valves, etc. THERE IS A \$25.00 CHARGE TO REMOVE CYLINDER STUDS AND PV PARTS ON A STANDARD RESLEEVE JOB. ALSO, THERE IS AN ADDITIONAL \$25.00 CHARGE TO RE-INSTALL PV PARTS. L.A.SLEEVE IS NOT RESPONSIBLE FOR LOSS, DAMAGE OR REINSTALLATION OF PARTS. Package your cylinder and/ or head upright in a sturdy box with plenty of paper and cardboard for padding. Include your piston if we are not supplying one. A New Piston is necessary for Finish Hone. Include this job order form with your cylinder. Dealers, if you do not have an L.A.SLEEVE customer number, include your business card. Allow three weeks plus shipping time.
